### ***OPERATION Home Work***

## **Veterans Expo**

8:00 am – 4:00 pm

University of Connecticut, Stamford Campus

### **About the Event**

OPERATION HOME WORK is intended to provide veterans, both returning from recent conflicts and those already here, with information about employment and business opportunities in New England and New York. It will be more than a “job fair.” It will provide veterans with the opportunity to explore a wide range of training, employment and business opportunities.

Employer participants will include government contractors, federal, state and local agencies. Training participants will include government agencies, regional vocational training programs, colleges and universities.

This is a great opportunity for your agency to meet its government contracting obligations, for small business subcontracting and Veteran employment outreach, as well as meet some great Americans!

For planning purposes, if you are interested in attending/participating, please RSVP Samir Randolph by **Wednesday February 8, 2012**. Samir’s email address is samir.randolph@gsa.gov and his phone number is 617-565-5860.

***THANK YOU***

**Please Note:** All GSA programs are extended to the public on a nondiscriminatory basis. This email is for informational purposes only and does not imply any contract, promise of business or obligate the Agency or participating organizations to any future course of action.
